AGREEMENT AND RELEASE

The undersigned hereby acknowledges and agrees as follows:

1. That he/she has purchased from Pro-Composites, Inc. a set of parts to allow faster completion of a Vision aircraft offered by American Affordable Aircraft (AAA).

Specific Parts are Listed in Appendix A

2. That the purchase of such kit parts includes the exclusive right to assemble one (1) Vision aircraft. The purchaser agrees to use the designated serial number provided by AAA when registering his aircraft and realizes that it will be verified with the FAA.

3. That all rights, title and interest to the kit parts and specifications of the Vision are vested in AAA, and that the purchase of such kit parts entitles the undersigned to the sole use of such kit parts for the assembly of one such aircraft.

4. The undersigned agrees not to duplicate or in any way reproduce the kit parts or specifications for use by others.

5. The undersigned further agrees that the purchase of said kit parts does not include the right to duplicate or manufacture any component parts of the Vision for use by anyone other than himself/herself without expressed permission by AAA.

6. The undersigned further agrees in the event of sale or of transfer of the kit parts and specifications to notify AAA.

7. The undersigned further acknowledges and understands that the purchase of said kit parts, specifications and/or component parts carries with it no warranties, either express or implied, including warranties as to merchantability or fitness for a particular use, said warranties being specifically disclaimed by Pro-Composites, Inc.

8. The undersigned further acknowledges and understands that the responsibility for assembly and use of any aircraft assembled by the undersigned or his agents or employees is solely that of the undersigned.

9. The undersigned hereby agrees to hold Pro-Composites, Inc. and AAA and it's partners and assignees harmless from, and assumes full responsibility for any and all injuries and damages, including but not limited to death, as to all persons and as to all property, caused by, resulting from, arising out of, or occurring as the result of the use by the undersigned or other persons of the kit parts, specifications or components purchased by the undersigned from Pro-Composites, Inc., it's partners or assignees.

10. The undersigned further agrees to hold Pro-Composites, Inc., it's partners and assignees harmless from any and all claims for injuries and damages made by any person as a result of the use of any aircraft assembled by the undersigned from kit parts, specifications or components purchased from Pro-Composites, Inc., it's partners or assignees.

11. The undersigned hereby acknowledges that he/she has read and understands fully the above agreement, specifically acknowledging the disclaimer of all warranties and the release of liability as set forth.
